

India Handloom: Standard Operating Procedures for Registration

1.0 Preamble

The scheme of "India Handloom" brand is being launched to endorse the quality of the products in terms of raw material, processing, embellishments, weaving design and other parameters besides social and environmental compliances for earning the trust of the customers. The "India Handloom" brand would be given only to high quality defect free product for catering to the needs of those consumers who are looking for niche handmade products. Majority of the stakeholders of the handloom industry are in need of a comprehensive marketing mechanism, which will directly fetch a premium price for the products and enhance the economic condition of the weavers and other stakeholders. The 'India Handloom' Brand is aimed at generating a special market space and increased earnings to the weavers. Thus the concept of "India Handloom" is to brand the handloom products, which are exclusively catering to the 'quality', need of the socio-environmentally conscious consumer.

The scheme is voluntary. The detailed operational procedures for filing of application, registration, appeal, surveillance mechanisms etc. under the scheme are given below:

2.0 Operational Procedures

The procedures & formats to be followed for implementing the "India Handloom" scheme are given below for compliance.

2.1 Categories of Users:

The entities/persons eligible to participate in India Handloom brand initiative would be (a) Weavers, (b) Master Weavers, (c) Primary Co-operative Societies, (d) Apex Handloom Societies, (e) Retailers, (f) Exporters and (g) Others. The Others category is especially included to cover Self Help Groups (SHG), Consortia, Producers Companies,

Joint Liability Groups (JLG), Handloom Weavers Groups (HWG) etc., Identified under Integrated Handloom Development Scheme (IHDS) or any other legal entity or any other organization involved in handloom related activities and approved to avail benefits under any other scheme of Development Commissioner for Handlooms. Any other organization willing to participate in the scheme shall be permitted with the approval of the office of the Development Commissioner for Handlooms.

2.2 Products to be covered under the Scheme:

India has very large varieties of traditional handloom products made of natural fibres like cotton, silk, wool etc. Many products are registered under Geographical Indications Act (GI Act). Some products are reserved under Handloom Reservation Act 1985 for production on handlooms only. Similarly, Bureau of Indian Standards has standardized some products on their quality parameters. A list of products based on traditional characters, GI registration and quality standards has been prepared (Annexure - I). Products listed are eligible for coverage under this Scheme. A committee headed by Development Commissioner for Handlooms with the members like Secretary, Textile Committee; Director, Weavers' Service Centre, Delhi; Director, Indian Institute of Handloom Technology, Salem and expert to be nominated by Development Commissioner will review for inclusion of new products in the list from time to time.
