2	M/s ITKTS	<p>8.3 Roles and Responsibilities (Page 29 of 67 of the RFP Document)</p> <p>In the corrigendum issued on December 21, 2015, the section delineating department's responsibility to bear transaction charges has been deleted. With this change, transaction charges (not exceeding 10%) will be passed on to the end customer as in this model the Selected Bidder will be getting a share of only the incremental revenues.</p> <p>8.1 Approach and Methodology for Implementation (Page 28 of 67 of the RFP Document)</p> <ol style="list-style-type: none"> 1. The incremental revenue calculations are subject to a 5% natural growth adjustment: <ol style="list-style-type: none"> a. If in any given year, there is no incremental growth or growth is less than 5% or there is a decline in growth (negative growth), the department should reimburse the Selected Bidder fixed costs incurred like manpower, stock and other similar costs. b. If in any given year, there is no incremental growth or growth is less than 5% or there is a decline in 	<p>No, However, the selected bidder will be allowed to charge transaction charges on actual basis from consumer, if any, relating to payment gateway for internet banking/credit/debit cards or for any other retail outlets/service provider.</p> <ol style="list-style-type: none"> a. As per department analysis such a scenario is unlikely, therefore this proposition is rejected. b. As above.
